

18th Annual Conference on Formal Power Series & Algebraic Combinatorics San Diego, California, USA June 19 - 23, 2006 Catamaran Resort Hotel, Pacific Beach

Topics

All aspects of combinatorics and their relations with other parts of mathematics, physics, computer science and biology.

Invited Speakers

Marge Bayer (University of Kansas)
Fan Chung (UC San Diego)
Jim Haglund (Ohio State University)
Tom Koornwinder (Universiteit van Amsterdam)
Seok-Jin Kang (Seoul National University)
Nigel Ray (University of Manchester)
Bruce Sagan (Michigan State University)
Michelle Wachs (University of Miami)

Organizing Committee

Nantel Bergeron (CRC at York)
Sara Faridi (Dalhousie University)
Christophe Hohlweg (The Fields Institute)
Isaiah Lankham (UC Davis)
Marni Mishna (Simon Fraser)
Rosa Orellana (Dartmouth College)
Andrew Rechnitzer (University of Melbourne)
Tom Roby (University of Connecticut)
Jeff Remmel (UC San Diego), co-chair
Mercedes Rosas (Universidad de Sevilla)
Mike Zabrocki (York University), co-chair

Program Committee

François Bergeron (UQAM), chair
Nantel Bergeron (CRC at York)
Miklós Bóna (University of Florida)
Bill Chen (Nankai University)
Joseph Kung (University of North Texas)
Roberto Mantaci (Université Paris 7)
Jennifer Morse (University of Miami)
Rosa Orellana (Dartmouth College)
Andrew Rechnitzer (University of Melbourne)
Jeff Remmel (UC San Diego), co-chair
Hugh Thomas (University of New Brunswick)
Manfred Schocker (University of Wales)
Mike Zabrocki (York University)

Papers can be submitted through the web

English: garsia.math.yorku.ca/fpsac06/en/
Français: garsia.math.yorku.ca/fpsac06/fr/

Submission of abstracts: November 15, 2005
Notification of acceptance: February 15, 2006
Requests for support: March 1, 2006
Reduced registration fees: April 1, 2006
