

APPLICATION FOR FINANCIAL SUPPORT

FORMAL POWER SERIES AND ALGEBRAIC
COMBINATORICS – SAN DIEGO, CA
JUNE 19-23, 2006

DEADLINE FOR APPLICATION: MARCH 1, 2006

The conference expects to provide limited financial support to cover travel and living expenses during the conference. First priority will be given to junior faculty, graduate and postdoctoral students, and, in some exceptional cases, to qualified undergraduates. If you are interested in support, please complete and submit the following form:

Name: _____

E-mail Address: _____

University/Organization: _____

Current Position: _____

Year of Ph.D.: _____

University at which you did your Ph.D.: _____

If you are a student, please indicate the name and email address of your faculty supervisor: _____

Recommender's name and contact information:

Estimated transportation cost and living expenses:

Please list all other sources of financial support:

Please explain in a few sentences why you need the support and how you would expect to benefit from the Conference.
